Dear Mark,

Re: North West London CCGs proposed constitutional change: Approval of applications

I would like to thank you for your submission for constitutional changes that were submitted in November 2018, for revisions to the eight North West London CCGs to provide a level of consistency throughout following the comprehensive review that took place.

NHS England has a responsibility to assure any proposed changes comply with the particular requirements of the NHS Act 2006 as amended by the Health and Social Care Act 2012 and is otherwise appropriate.

I am happy to inform you that having reviewed your applications we are assured that the amended constitutions comply with the requirements as set out above.

You are now able to amend your constitutions as highlighted in your application. Once you have done this and uploaded the new documents onto your CCG website, please notify england.london submissions@nhs.net.

Yours sincerely

Khadir Meer
