

Item 14 (ii)

Summary Report and Escalations from the Quality, Patient Safety and Risk Committee Meetings held on November and December 2018

1. Introduction

1.1 This report provides a brief summary of the issues discussed in detail at the Quality, Patient Safety and Risk Committee in November and December 2018.

2. Key Discussions from the meetings

2.1 The items discussed at November's meeting were:

- Action log
- Proposed NHS England project on FGM
- Update on the podiatry service
- Mental health placements quarter 2 report
- Update on the implementation of the Special Educational Needs and Disabilities (SEND) reforms
- Update on the Family Support services to the Local Safeguarding Childrens Board
- Corporate risk register

Minutes for this meeting are included in the Governing Body papers

2.2 The items discussed that December's meeting were

- Working Together to Safeguard Children – Child Death Review partner briefing
- Safeguarding children briefing on Working Together to Safeguard Children

Minutes of this meeting will be included in the papers for the March Governing Body meeting.

3. Escalation

3.1 At a prior meeting of the committee, members raised an issue about Transforming Care and wanted governing body members to be aware of the position with the trajectory, therefore asked for further detail to be reported back to the governing body. A paper is being produced for the Chief Nurse/ Director of Quality, NWL CCGs and for January's Quality Patient Safety and Risk Committee (QPSR) for wider deliberation. A copy of the report will be shared with governing body members in advance of January's QPSR.

4. Action Required

4.1 The Governing Body is asked to **note** the report.
